Dear AAUW Members and Friends,

Fall is the time of year that we support AAUW's mission by raising money to provide local college scholarships for women at Dominican University in San Rafael and the College of Marin and to provide sponsorships enabling eight Marin middle school girls to attend AAUW's Tech Trek camp on the Stanford campus. Thanks to your extraordinary generosity last year, we were able to send eight girls to Tech Trek, fund eight college scholarships, and reach our current target of raising \$100,000 in endowed funds to support our ability to offer college scholarships in perpetuity.

### Our 2017-18 Fundraising Targets

- \$12,000      \$6,000 for college scholarships at each of Dominican University and the College of Marin
- \$ 8,000      8 tech Trek sponsorships
- \$20,000      Total Goal

Please help us make these targets! Donations of any size are welcome. The need is great and the results are life-changing for the women and girls who receive our funds. Your donations make a difference! Your generosity is greatly appreciated.

Please select below how you would like your donation to be allocated. Funds designated for Tech Trek or local scholarships are, in general, spent currently or held by the Scholarship Fund for distribution within a relatively short period of time. Funds donated to endowment are not spent currently, but earnings on those funds are used to fund local scholarships (but not Tech Trek). The Scholarship Fund board allocates donations in accordance with donor intent. If you don't make a selection, the board will first allocate funds to meet the targets set forth above. Funds received in excess of the targeted amounts and not otherwise designated for college scholarships, Tech Trek sponsorships, or endowment will be allocated in consultation with the AAUW Marin board.

Sincerely,

Cherie Sorokin, AAUW Marin Scholarship Chair and Board Member AAUW Marin Scholarship Fund

Donations to the AAUW Marin Scholarship Fund are tax deductible to the extent permitted by law.

## Help Us Match Our 2016 Fundraising Results!

Your generosity last year helped us sponsor eight young women (pictured above with their junior counselor--a former Marin Tech Trekker) from Marin public middle schools to attend AAUW's Tech Trek camp on the Stanford campus in July 2017

You helped us provide \$3,000 scholarships this year to two women at Dominican University of CA returning to finish a 4-year degree, or entering/attending college on a non-traditional path

You made it possible for us to provided funds for SIX (!) \$1,000 scholarships this year to women in the College of Marin's transfer program which supports students transferring to four year degree-granting institutions.

AND, you enabled us to reach our current goal of raising \$100,000 in endowed funds to ensure our ability to keep awarding local college scholarships in perpetuity!!
