

## Give the Gift of Education Right Here in Marin

A donation to AAUW Marin Scholarship Fund gives Marin County women and girls an opportunity to discover the joy of learning and the life-changing opportunities that higher education allows.

The Marin Branch of the American Association of University Women, through the AAUW Marin Scholarship Fund, has provided financial assistance to over 80 local women in need. One scholarship is awarded to a returning or nontraditional entry student at Dominican University seeking a bachelor's degree; the second is awarded to a woman graduating from College of Marin who plans to attend a four-year university. The amount of each scholarship is currently \$3000. We also provide scholarships for middle school girls to attend Tech Trek, a week-long residential math, science and technology camp at Stanford University. The branch has sent more than 85 girls to Tech Trek since 1998

By donating today to the tax-deductible AAUW Marin Scholarship Fund\*, you can help make sure these scholarships will continue to be awarded to deserving women in Marin.
